Help us keep the age of steam alive!

The running, restoration and maintenance of the Lincolnshire Wolds Railway is all carried out by our volunteers. They are the lifeblood of our organisation. Volunteering gives you the opportunity to meet new people from all walks of life and gain new skills. There is a wide choice of roles covering all aspects of the railway's activities from engine driving, restoration and painting to being a train guard or helping out in our buffet or shop. You don't need any special skills but, if you have any, you can be sure we will make the most of them!

Welcome to the family-friendly line!

Come and experience the thrill of the bygone era of steam at the Lincolnshire Wolds Railway. The LWR is situated in a beautiful part of the Lincolnshire countryside between the Wolds and the coast, and is only a short distance from Grimsby, the seaside resort of Cleethorpes and the historic market town of Louth. Our railway operates on a stretch of line that used to be part of the Great Northern route from Boston to Grimsby. Heritage steam trains currently run between Ludborough and North Thoresby and work is now in progress to extend the line southwards towards Louth.

We look forward to seeing you soon!
